Dear Parents/Guardians,

Re: S4-S5 Brothers' Talk 2023

To increase our students' understanding of different careers and better prepare them for their further studies, our school is going to hold a series of Brothers' Talks for our S4 to S5 students. Some of our old boys studying in different sectors have been invited to share some career information and their experience with our students. Our students are strongly encouraged to attend one or more talks according to their interest as the talks could provide some useful information with regard to their choice of a future career path. Details of the talks are given below:

Date and Time	Theme A (Venue: B205)	Theme B (Venue: GP Room)
15 th March, 2023 Wednesday (Day 2) 15:30 – 16:30	Engineering	Financial World
16 th March, 2023 Thursday (Day 3) 15:30 – 16:30	Data World	Accounting & BBA
17 th March, 2023 Friday (Day 4) 15:30 – 16:30	New Multimedia	Medical Care

S4 to S5 students are required to participate in at least one of the talks above as they can broaden their horizons and help them explore possible career paths. Please complete the e-Circular on or before 3rd March, 2023 (Friday). Students who do not take part in at least one of the talks have to submit a parent's letter to their class teachers. Should there be any enquiries, please contact Mr. CHAN Shui Leung or Mr. TSUI Kin Kwong at 2546 0117.

Yours faithfully
