

ST. LOUIS SCHOOL

Circular No. 233 (23-24)

18th April, 2024

Dear Parents/Guardians,

Re: Territory-wide System Assessment (TSA) 2024 – Oral Assessments

TSA is a low-stake assessment that provides not only objective data on territory-wide students' Basic Competencies for the Government, but it also provides data for schools on their students' overall performance in different learning dimensions so as to provide feedback on learning and teaching. The oral assessments for Chinese Language and English Language at Secondary 3 (S3) in 2023/24 will be conducted on a sampling basis on **24 April 2024 (Wednesday)** (with **26 April 2024** as the fallback date). The Student Sample Lists will only be given to all schools on the assessment day. Details of the oral assessments are as follows:

Date:	24 April 2024
Time:	8:45 a.m. – 11:30 a.m.
Venue:	St. Louis School

S3 students who are selected will have to leave their classrooms for a period of about 30 minutes to attend the oral assessments. Selected students will have to bring along with them their student cards for identification. Kindly remind your son to attend school punctually and attempt the assessment seriously.

For enquiries, please contact Mr. TAM Ka Lok Patrick at 2546 0117. Thanks for your attention.

Yours faithfully,

Dr. YICK Ho Kuen
Principal
