

Dear Parents/Guardians and Students,

We are delighted to inform you that your son has been specially selected and invited to participate in the AFS Global Citizenship Education (GCE) Project, a valuable program organised by AFS Intercultural Exchanges Hong Kong.

This project is designed to cultivate active global citizens by enhancing students' global awareness, critical thinking, and problem-solving skills, particularly in relation to the UN Sustainable Development Goals (SDGs). Students may optionally participate in the GCE Proposal Competition to design and present innovative solutions to social challenges. Winners will be awarded a complimentary study tour to a "Belt and Road" country, focusing on sustainability and culture.
