Dear Parents/Guardians,

Re: Post-Exam Support and Career Readiness Measures for Under-Achieving Students

This is to inform you that, having analyzed the examination results, the academic performance of your son/charge falls short of expectations. A temporary adjustment in academic pace is not a setback, but an opportunity for strategic preparation. To help him rebuild academic confidence, consolidate his learning, and build essential career readiness, the school has structured a mandatory post-exam support program.

Your son/charge is **required** to participate in the "Occupational Safety & Health Workshop." This workshop aims to help students utilize their time strategically to build career readiness and turn challenges into opportunities. Details are given as follows:

Objectives	• **Experiential Learning:** Students will gain hands-on experience in identifying workplace risks across industries, building a safety mindset highly valued by modern employers. • **Embracing Front-Line Technology:** Through advanced VR (Virtual Reality) and 3D spatial simulations, students will observe how modern enterprises utilize technology for training and crisis management, inspiring tech-management thinking. • **Building a Comprehensive Resume:** Upon completion, students will receive an official certificate to enrich their senior secondary OLE (Other Learning Experiences) portfolio, showcasing maturity and a professional edge for future pathways.
Date	13th July, 2026 (Monday)
Time	9:00 a.m. – 12:30 p.m.
Venue	OSHC OSH Academy, 62 Chung Mei Road, Tsing Yi, New Territories
Gathering Time & Venue	9:00 a.m. at G.P. Room, St. Louis School
Dismissal Time & Venue	12:30 p.m. at St. Louis School

Please note that attendance is **compulsory**. If your son/charge is unable to attend the workshop due to absence or sick leave, he must instead complete an alternative academic consolidation package. This requires him to complete **ALL** provided supplementary exercises and submit them to the school office by **20th August, 2026**.

This supportive measure is not a penalty, but a means to rebuild his academic confidence. For enquiries, please contact Mr. HO Hin Yeung Jacky, or Mr. LEUNG Siu Pong at 2546 0117.

Yours faithfully,

(Mr. HO Hin Yeung)
