

ST. LOUIS SCHOOL

Circular No. 333 (25-26)

9th July, 2026

Dear S1 Parents/ Guardians,

Re: Highlights of Appearance Regulations

The school upholds the value of simplicity and therefore requires students to maintain a modest appearance. Please take note of the following guidelines:

Students are expected to be decent, neat, and tidy. Trendy styles—such as perming, hair dyeing, undercut or buzz cuts with shaved patterns—are not allowed. For uniform requirements, ankle-length trousers and boat socks are strictly prohibited. Students should not wear any accessories or ornaments.

With a view to upholding the spirit of Salesian education and providing convenience for students during their leisure time, students are allowed to wear sports shoes in addition to traditional leather shoes. Please note the specific shoe and sock requirements below:

- Shoes and socks must be simple and neat, with no eccentric or peculiar styles.
- Boat socks are not permitted. Students may choose to wear:
 - a. Black or brown leather shoes.
 - b. Sports shoes that are solid black, white, gray, or dark blue (a combination of these colours is acceptable). Fluorescent colours are not allowed.

Please refer to the Student Handbook for details regarding these and other school regulations.

Yours faithfully,

Discipline Team
for Principal
